Meeting Minutes, Lancaster Conservation Commission
Monday, November 12th, 2024

Board members present: Sam Mayne, Vickie Gibbs, Nancy Southworth
Members of the public speaking: Robin Irving

The meeting was called to order at 5:30 PM.

Gibbs moved to accept the August minutes, Southworth seconded, and the motion passed unanimously.

LCC members reviewed the progress of trail work on the town forest and Heritage Trail. All agreed that it would be good to publicize maps of the trail network after this work.

Mayne reviewed the status of the restoration project at LES.

Southworth and Mayne reviewed the results of Conservation Easement monitoring visits. Gibbs moved to accept the monitoring reports, Southworth seconded, and the motion passed unanimously.

Mayne voiced concern over the Transfer Station no longer accepting mixed paper recycling. All agreed to request that the Transfer Station Supervisor provide additional information, either in writing or by joining the next meeting. Irving said she would discuss with Rusty Scott at the Transfer Station.

Gibbs moved to adjourn at 6:23, Southworth seconded and the motion passed unanimously.
