Meeting Minutes, Lancaster Conservation Commission
Monday, Jan 13th, 2025

Board members present: Sam Mayne, Vickie Gibbs, Nancy Southworth
Members of the public speaking: Robin Irving

Meeting opened at 5:31 pm.

LCC discussed Davidge lot line adjustment.

Sam made the following motion. Vickie seconded. The motion passed unanimously.

LCC believes the proposed change would have a minor impact on the scenic quality of the road, but otherwise see no major conservation impacts. We do not support making exceptions to town policy on a case by case as in this case and do not support sending the issue to the voters as a warrant for that reason. We defer to other town entities in regards to safety and feasibility of resolving the matter.

Sam moves to accept minutes from the December meeting. Vickie seconded. The motion passed unanimously.

Sam moves to adjourn. Nancy seconded. The motion passed unanimously.

Meeting closed at 6:10 pm.
