Town of Lancaster
Request for Proposals
Curbside Trash & Recycling Pickup

The Town of Lancaster is seeking proposals from qualified contractors to provide weekly curbside pickup of municipal solid waste and recycling. Curbside operations occur each Friday beginning at approximately 7:00 AM and encompass the compact area of Town. Solid waste and recycling for this request shall be brought to the Lancaster Transfer Station for processing for a term starting January 1, 2027 and ending on December 31, 2029.

The ideal contractor will demonstrate, in their proposal, that they have the staff and equipment necessary to provide the service requested. Please state, in your proposal, if this is a single or multi-year offer. Responsibilities include, but are not limited to:

- Removing all solid waste and recycled items, complying with the requirements of the Town's Pay As You Throw (PAYT) program;
- Separating solid waste from recycling for delivery to the Transfer Station;
- Keeping recycled items segregated based upon the requirements of the PAYT program and instructions from the Solid Waste Manager;
- Complete all operations by 12:00 PM;
- Ensure all rules and regulations of the Town's PAYT program are followed and address issues directly with the offenders, and;
- Maintain liability, workmen's compensation and automobile insurance as required by the Town and provide proof of such annually or when requested.

Proposals are due on Monday, November 16 at 12:00 PM and shall be reviewed by the Lancaster Selectboard at their meeting that evening. Please include "Curbside Proposal" in the subject line of your email or on the envelope of any mailed or hand-delivered copy. Proposals can be hand delivered to the Town Hall, emailed to townmanager@lancasternh.org or mailed to:

Town of Lancaster
ATTN: Jessica Cyr
25 Main Street
Lancaster, NH 03584

For questions, please contact Transfer Station Supervisor, Rusty Scott, at (603)788-3200.
